Poestenkill, NY 12140

(518)283-4144

To: Town Supervisor- Keith Hammond

Town Board Members- Butler, Wohlleber, Hass, Van Slyke

From: Highway Superintendent- David (DJ) Goyer

Date: November 6th, 2023- December 7th, 2023

RE: Highway Activities

1. The crew spent time this month painting plow frames, truck frames, and plows ahead of winter season.
2. Spent time picking up leaf bags around town.
3. Patched potholes on the dirt roads.
4. I fixed three hydrants for the water department, needed to torch off the main port covers and install the new quick connect fittings for the fire department.
5. I helped the library hang wreathes on windows with the bucket truck.
6. We took banners down after the veteran's day holiday weekend.
7. We have been performing snow and ice operations numerous times this month.
8. We fixed a water issue and culvert issue on North Road recently. Corrected the water runoff and changed out a driveway pipe to stop erosion and runoff into the town road.
9. The trucks were emptied and washed after each time we had plowed with them.

10. We were on Colehamer Road with the big bucket truck cutting the road back. Took a couple days to get it cut back properly.
11. We had a few shop days working on trucks and equipment.
12. Ordered 100 tons of road salt to mix with sand and fill the shed back up.
13. Chip Kronau backed up the shoulders on Quail Meadows development for his father this week. It was a required step to the paving process of the new development, and it came out well. They did a great job.
