RE: Assessor's Report November 2023

We will begin mailing exemption renewal forms in December. These renewal exemptions include the Senior, Disability, Agriculture, Non-Profit, and Clergy exemptions. Volunteer Firefighters will have the opportunity to apply for an exemption beginning January 2024. The 2024 Assessment Roll exemption filing deadline is March 1, 2024, for all exemptions. Residents will have the option to return the required exemption forms and documentation by mail, in person, or utilize the Town drop box.

The Assessor's Office continues to routinely process new deeds and parcel split/merger documents received from the County. We continue to process exemption applications and closed building permits. The Real Property System is updated as needed.

All other Assessor Office functions continue as normal.
