Memorandum

To: Keith Hammond -Town Supervisor

Town Board Members

From: William Sansone Water Operator

Date: December 8th,2023

Overview of the month of November 2023

-We tested for coliform at Town Hall which has to be done 1 time every month. "Test results are negative "
-We performed 6 dig safes for the town this month.
- We sent lab results to the home owners who took place in our lead and copper sampling. All test results were below the MCL.
-We received the new water pump for the pump station it will be getting installed on December 9th. Thank you to DJ for helping with this issue of getting the pump replaced.
- we installed new curb stop for a resident that was destroyed by DOT.
- We are receiving new permits to hook up to the water system.

The Water department will continue to be represented in polite, efficient and professional manner for all residents of the town.
