

VETERANS MEMORIAL INFORMATION

We were recently able to retrieve the original veteran's monument from a resident's back yard that was broken while moving to a new location years ago. Restoration was considered but too much damage had occurred. In the meantime, we learned from the Poestenkill Historical Society that as the war years wore on many other town residents enlisted and were documented on a wooden sign.

The Town Board has decided that all those who served should be honored and we began designing a new memorial. It is to be 5'-0" x 4'-0" x 8" with a base measuring 5'-6" x 1'-2" x 8" in grey granite. There will be an eagle on the front and back with approximately 170 names front and back, and will be placed at the Town Hall by the flagpole.

Fund raising has begun to honor those who served and who helped build the town that we are proud to call home today. We hope you will join us in making this worthwhile endeavor a reality for our Town.

Donations can be made payable to the Town of Poestenkill designating the Memorial Fund.
